I'm front-end web developer with one year of freelance experience in creating high-performance, responsive websites. Proficient in HTML, CSS, and JavaScript, with a strong focus on delivering modern, user-friendly designs. Experienced in utilizing frameworks such as Bootstrap and Tailwind CSS to enhance design efficiency and responsiveness.

## Education

Bachelor Computer Science, 2023  
Hadramout university, Yemen-Hadramout

## Experience

**Freelancer** | Yemen-Hadramout

*Front-end web developer*

(09/2023)-(Present)

Develop a responsive website that is optimized for desktop, tablet and mobile devices.

Utilized HTML,CSS,bootstrap,tailwind,JavaScript and jQuery to create a dynamic, interactive user interface that improved user Experience.

Employed AJAX and JSON technologies to create a seamless data exchange between the front-end and back-end.

**Hadhramaut Foundation** | Yemen-Hadramout

*Web developer training bootcamp*

(09/2023)-(01-/2024)
